

Tri-State Chess is working in cooperation with Chess Educators to offer you our Summer Enrichment Chess Program.

Summer Enrichment Program AUGUST 7-18, 2017

Our chess program uses an interactive and hands-on approach for kids to learn chess with fun and engaging activities. Our activities include chess instruction and lessons, a Chess Lab which includes worksheets, problem solving, and more tactics. Kids will also participate in class tournament games with notation and clocks making this an exciting and rewarding experience. Kids will love learning chess with these fun and effective strategies.
